

# Sailing Home For Christmas

by Aron and Kiljan Moroney

It's always peaceful out at sea  
I've got the wind to carry me  
I'm sailing home, I'll be there soon  
This Christmas time I'll be with you

**Sailing home for Christmas..... sailing home to be with you**

It feels like I've been gone so long  
But now I'm finally coming home  
My journeys end is in your arms  
This Christmas time, I'll be with you

**Sailing home for Christmas  
Sailing home to be with you  
Sailing home for Christmas  
Well I'm sailing home for Christmas to be with you**

## **Instrumental Solo**
